重力 初級 理解策略

初級聽力測驗主要評量「聽懂與日常生活相關的淺易談話」的能力。 以下利用 **GEPT 初級聽力例題**,說明如何運用理解策略,聽懂一般 生活中常出現的淺易談話,類似的策略亦可運用於**國中教育會考英 語科聽力**,一舉兩得! Boy: Mom, the typhoon has left. Can Frank and I go jogging?

Woman: No. The rain has stopped, but it's still very windy. Besides,

the ground will be covered with branches and mud.

Boy: All right. We'll wait for a few days.

Question: Why are the boys NOT allowed to go jogging now?

(題目來源:GEPT 初級正式測驗考題)

1. 預測可能會出現的題目

平常可以在聽完對話後,想一想和對話內容相關的問題,自問自答。以上面的對話為例:

可能出現的問題	答案
1. What are the speakers talking about? (這些人在說什麼?)	They are talking about the weather. (他們在討論天氣。)
2. What do the boys want to do? (男孩們想做什麼?)	They want to go jogging. (他們想去慢跑。)
3. Why are the boys not allowed to go jogging now? (為什麼男孩們現在不能去慢跑?)	The wind is strong. (外面風很強。)

2. 留意對話中重要的細節

例題中的題目問 Why are the boys NOT allowed to go jogging now?(為什麼男孩們不能去慢跑?)。

對話一開始,小孩就問媽媽既然颱風離開了(the typhoon has left),他們可不可以去慢跑(Can Frank and I go jogging?),但媽媽回答不行,因為「雖然兩停了,但風還是很大(it's still very windy),而且地上會有樹枝和泥巴(the ground will be covered with branches and mud)」。
