

分詞構句 Participle Clauses

除了單字以外，句型的掌握也很重要喔！我們今天來一起複習「分詞構句」吧！

分詞構句

V-ing / p.p. (+ 受詞 / 補語) , 主詞 + 動詞

上圖的左句，其實原來的句子如下，但被改成分詞構句。

原句 [----- 從屬子句 -----] [----- 主要子句 -----]
Because I am a soul, I'll never gain weight.

分詞構句 **Being** a soul, I'll never gain weight.
[- 分詞構句 -] [----- 主要子句 -----]

使用分詞構句的好處是可以簡化句子、使語意銜接更順暢、寫作句型有變化。
分詞構句的寫法解構如下：

Step 1 省略主詞

兩個子句的主詞相同的話，省略從屬子句的主詞或是對等子句的其中一個主詞。

例 Because **I** am a soul, I'll never gain weight.
[省略]

Step 2 動詞改分詞

將被省略主詞後方的動詞改成分詞，也就是表示主動的**現在分詞 V-ing**，和表示被動的**過去分詞 (being +) p.p.**。(例如：下一頁例 3)

例 Because **am** being a soul, I'll never gain weight.
[am 改成現在分詞]

Step 3 省略連接詞

連接詞 (例如：because, when, and) 可以省略，若是省略會造成語意混淆，則建議保留。

例 **Because** Being a soul, I'll never gain weight.
[省略]

進階說明 否定句

否定詞 not 放在分詞前方，並去掉助動詞 do, does, did。(例如：下一頁例 1)

分詞構句 Participle Clauses

原因

because, since, as

例 1 because

原句：Because Dory does not know where her home is, she wanders the ocean all day.

→ 分詞構句：Not knowing where her home is, Dory wanders the ocean all day.

分詞構句除了說明原因，還可以表達時間順序、補充說明、讓步 (although) 或條件 (if) 等。我們這次主要介紹常見的前三項。

時間順序

before, after, when, while

例 2 before

原句：Before Elastigirl set off to fight crime, she asked her husband to watch over the kids.

→ 分詞構句：Before setting off to fight crime, Elastigirl asked her husband to watch over the kids.

例 3 when

原句：When Aladdin was surrounded by palace guards, he raised his hands in surrender.

→ 分詞構句：(Being) Surrounded by palace guards, Aladdin raised his hands in surrender.

補充說明

and

例 4 and

原句：Joe dropped into a hole in the road, and he fell unconscious.

→ 分詞構句：Joe dropped into a hole in the road, falling unconscious.

用 and 連接的對等子句改為分詞構句時，and 一定要省略，因為保留 and 會造成兩邊的句子結構不對稱。

Amy 早上遇到了什麼倒楣事呢？請閱讀下方的故事後回答。第一題的答案已經幫你寫好囉！

Amy's Terrible Morning

Awakened by her dog barking, Amy got up to start another day. After taking a look at her watch, she realized she was very late. Hurrying to get dressed, she did not notice her shirt was inside out. She went into the kitchen, not seeing her dog lying on the floor. Tripping over her dog, she fell and broke her eyeglasses. She opened the refrigerator, intending to pour herself some milk. Being newly bought, the milk bottle was full. Not knowing that fact, Amy grabbed the milk bottle with one hand. Surprised by its weight, she dropped the bottle on the floor. After mopping up the milk, Amy left for work, forgetting her purse in the kitchen.
