

活動 1、整理書包上學去 (A 卷)

小朋友，開學了，你該帶哪些東西去上學呢？請注意聽問題，選出正確的東西，在○中打✓。首先，請聽例題：

例題	<input type="radio"/>		<input checked="" type="radio"/>		<input type="radio"/>	
----	-----------------------	-----------------------------------------------------------------------------------	----------------------------------	------------------------------------------------------------------------------------	-----------------------	-------------------------------------------------------------------------------------

1.	<input type="radio"/>		<input type="radio"/>		<input type="radio"/>	
----	-----------------------	-----------------------------------------------------------------------------------	-----------------------	------------------------------------------------------------------------------------	-----------------------	-------------------------------------------------------------------------------------

2.	<input type="radio"/>		<input type="radio"/>		<input type="radio"/>	
----	-----------------------	------------------------------------------------------------------------------------	-----------------------	-------------------------------------------------------------------------------------	-----------------------	--------------------------------------------------------------------------------------

3.	<input type="radio"/>		<input type="radio"/>		<input type="radio"/>	
----	-----------------------	-------------------------------------------------------------------------------------	-----------------------	--------------------------------------------------------------------------------------	-----------------------	---------------------------------------------------------------------------------------

4.	<input type="radio"/>		<input type="radio"/>		<input type="radio"/>	
----	-----------------------	-------------------------------------------------------------------------------------	-----------------------	--------------------------------------------------------------------------------------	-----------------------	---------------------------------------------------------------------------------------

5.	<input type="radio"/>		<input type="radio"/>		<input type="radio"/>	
----	-----------------------	-------------------------------------------------------------------------------------	-----------------------	--------------------------------------------------------------------------------------	-----------------------	---------------------------------------------------------------------------------------
