Jimmy's Account Book

¹ Saving money is a good habit so Jimmy always keeps an account book.
² His mom usually gives him some money when he helps chores. Here are his
³ savings from April 1st to 9th. He keeps the date, day, items, money he saves
⁴ (In), money he spends (Out) and also money he has in total (Balance). He
⁵ saves one thousand and two hundred seventy because he wants to buy the
⁶ sneakers before the sale ends. He is sad because he doesn't have enough
⁷ money to buy them. He shouldn't buy the ice cream on Friday. He is very sad
⁸ now.
